FROM : []

SUBJECT: GENERAL— OBHUNT

2. AIRWISE has been contacted at regular intervals during this entire period. He has fully recovered from his operation and is in good health. 3. AICOOL continues to attend the Benchlitters Course in Piraeus. Persistent reports have been reaching us indicating AICOOL finds it impossible to refrain from becoming involved with the various political factions existing among the Albanians in Athens, in spite of our constant instructions to the contrary. AICOOL, seeking to become a member of the Legalitet, was rejected and has since been making AIPOET a target for his animosity. HBHADDOK has charged AIPOET with making unfavorable remarks about Greece based on a report by an undisclosed informant. Our preliminary investigation indicates the story may have been fabricated by AICOOL and/or the Agrarians.

4. On 31 January, [] met AICOOL at the DIG to pay him. [] informed AICOOL we could no longer tolerate his involvements and actions as they were contrary to the objectives of our organization. He was advised that his displays of immature judgment had destroyed our confidence in him. He would either refrain from any further entanglements or suffer immediate dismissal.

5. AIRBLOWN continues to share his quarters in Piraeus with AICOOL. [] had several meetings with AIRBLOWN concerning his misgivings about AICOOL as reported in reference. AIRBLOWN has proven to be a very reluctant informant. He avoided reporting any of the incidents reported to us by others and indicated he thought AICOOL was merely young and easily influenced rather than what he actually had reported originally.

Resettlement Developments

9. AIRSLACK has completed the necessary processing and will be departing for the U. S. on 19 February. We are glad to see AIRSLACK resettling in the U. S. as he has been one of our most loyal and deserving agents. He is a little too old to be participating in operations.
